February 17, 100th day of school

February 28, Class pictures

Proud to be a
Title I School

Message from the Principal

Dear Parents and Community,

Great things are still happening at Perquimans Central School. Students are making progress and are still excited about learning and coming to school. Our character trait for the month of February is "caring". Naturally for most people when we think of the month of February we think about Valentine's Day, Black History month and Presidents Day.

At our school we're going to celebrate caring about others and make it a fantastic month. We are having a lot of exciting events coming up during the month of February, Black history program and Community Outreach Night. We hope that you will come out and support our school. As always we need your continued support. Visit our school and witness the great things that are happening on a daily basis.

Parents please continue to ensure that your child gets a good night's rest. The next few weeks will be a busy time at our school; however, please remember to remain in contact with your child's teacher. If you have questions or concerns please contact me at any time at bonitajones@pqschools.org or I can be reached by phone 252-426-5332. Do not hesitate to contact your child's teacher, a staff member, or me at any time.

Mrs. Bonita Jones, PCS Principal

Happy
Valentine's
Day

Black History Program

Students will celebrate Black History month on February 10. Mrs. Crystal Mason's class will be sharing through speaking and singing. This performance will also be repeated at the Public Library on the evening of February 16 at 6pm.

Pre-K

Pre-K enjoyed learning about Martin Luther King Jr. and his dream of peace and love for everyone. We are digging deep now into Letterland focusing on letters N, O, P, and Q in the coming weeks. We are also wrapping up our Mid-Year assessments and can't wait to share the students' growth with families in February at Parent-Teacher Conferences.

Mission: Perquimans Central School will provide a safe and nurturing environment where each student can be his/her best.

Vision: Perquimans Central School will prepare students to be productive learners for today and tomorrow.

Kindergarten

Kindergarten is excited to be starting our Color Me Healthy program. We will also be celebrating Groundhog Day, Black History Month, and Valentine's Day.

First Grade Happenings

First grade has been busy preparing for our mid-year assessments. In math, we have been learning about place value in 2-digit numbers. In science, we have learned facts about the moon. We have started our unit about penguins.

Second Grade

Second grade is looking forward to the upcoming month of February. We will be celebrating Valentines Day, Ground Hog Day, and the 100th Day of school all this month! Can you believe we are entering the second half of the school year? Students are making so much progress and preparing for the next grade. Please keep an eye out for more information on the upcoming events in your student's folder.
